CDMFA PRESIDENT'S MESSAGE - Lawrence McMath

It is with great pleasure that I would like to introduce our new Program Manager, Epharh Oyama!!

PROGRAM MANAGER

"Hi! My name is Epharh Oyama, though most people know me as FF. My football journey began in peewee with the CDMFA as a member of the FSMFA, back when they were known as the Thunder and Lightning. After minor football, I played high school football in Sherwood Park with the Salisbury Sabres, which opened the door for me to compete at the post-secondary level with the Golden Bears. I finished my competitive playing career with the Edmonton Huskies.

"I have a background in Kinesiology with a focus on sports performance. Since completing my education, I've had the opportunity to create and implement sports curricula across a wide range of sports and age groups, from 16 months old through high school. I've volunteered and coached at all levels within the football community and continue to seek opportunities to grow and contribute to this amazing sport.

I'm excited to step into the role of Program Manager with the CDMFA. I welcome the challenge ahead and look forward to rising to the occasion, continuing the organization's strong tradition of growing and developing this amazing sport within the Capital District."
